[] a) Informed [] to pass on to [] and his family that [] wife and youngest son can go to Spain to join their father on a Re-entry Permit, and that they can obtain the Permit either in Tacoma, Wash. or DC. If they return from Spain within a year they can apply for Naturalization in Tacoma without any waiting period, however in DC they would have to wait the required 6 months (Residence requirements) prior to their Naturalization. Also that they would have to pay for their own travel to USA and back to Spain. [] was instructed to pass this information to [] family for they have to make up their own mind on what's best for them.

[] b) Inquired about [] trip to NY on 2-3 August. [] informed that nothing new has happened, except that Goforth (p) has finished The Guide on Riga, which is going to cost the Institute apr. \$ 390.- Since it was agreed previously that it is O.K. to have Goforth (n) to write and print the book as part of The Institutes activities, [] was told to go ahead and pay Goforth for the expenses. (Goforth will give us receipt as well as statement on the breakdown of the activities.)

[] a) Informed that he is writing to [] (p) to close the Summerville Bank account and to counter-sign a check for the amount left in the Bank (which amounts to apr. \$ 139.-) to pay Goforth (p) for part of the expenditures incurred for the publication of The Guide to Riga (Inspection and Review people, namely Col. Hainey recommended and [] concurred that AEFLAG and AEMARSH AEMINX accounts should be combined and controlled from DC) The above mentioned [] activity was approved. Although [] was informed not to get the two amounts mixed up, for for the time being they are still to be kept separate for accounting reasons, and that probably in 2-3 months when the consolidation will be approved (AEFLAG renewal) we will account for the purely AEMINX as well as Madrid expenses in one accounting account.
